

Website Disclaimer

The information contained in this website is for general information purposes only. It is not intended to amount to advice on which you should rely. The information is provided by thinkproject UK and while we endeavour to keep the information up to date and correct, we make no representations, warranties or guarantees of any kind, whether express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the website or any content on it. Any reliance you place on such information is therefore strictly at your own risk.

We exclude all implied conditions, warranties, representations or other terms that may apply to our website or any content on it. In no event will we be liable for any loss or damage (including indirect or consequential loss) whether in contract, tort (including negligence), breach of statutory duty, or otherwise, even if foreseeable, arising under or in connection with:

- use of, or inability to use, our site; or
 - use of or reliance on any content displayed on our site.
-
- In particular, we will not be liable for:
 - loss of data, profits, sales, business, or revenue;
 - business interruption;
 - loss of anticipated savings;
 - loss of business opportunity, goodwill or reputation; or
 - any indirect or consequential loss or damage.

Portions of this website contain materials which are not under the control of thinkproject UK or link to other websites which are not under the control of thinkproject UK. Where our site contains links to other sites and resources provided by third parties these links are provided for information only and thinkproject UK accepts no liability and provides no warranty or guarantee of such content and its availability or accuracy. The inclusion of such material in this website does not necessarily constitute a recommendation or endorsement of the views expressed within them. Therefore, visitors use such content at their own risk.

We do not guarantee that our site will be secure or free from bugs or viruses. You are responsible for configuring your information technology, computer programmes and platform to access our site. You should use your own virus protection software.

You must not misuse our site by knowingly introducing viruses, trojans, worms, logic bombs or other material that is malicious or technologically harmful. You must not attempt to gain unauthorised access to our site, the server on which our site is stored or any server, computer or database connected to our site. You must not attack our site via a denial-of-service attack or a distributed denial-of service attack. By breaching this provision, you would commit a criminal offence under the Computer Misuse Act 1990. We

will report any such breach to the relevant law enforcement authorities and we will co-operate with those authorities by disclosing your identity to them. In the event of such a breach, your right to use our site will cease immediately.

Copyright

All copyright and other intellectual property rights in all of the contents and design of this web site are reserved to thinkproject UK.

Any redistribution or reproduction of part or all of the contents in any form is prohibited other than the following:

- you may print or download to a local hard disk extracts for your personal and non-commercial use only, however you must not modify the paper or digital copies of any materials you have printed off or downloaded in any way, and you must not use any illustrations, photographs, video or audio sequences or any graphics separately from any accompanying text; and
- you may copy the content to individual third parties for their personal use and non-commercial use only, but only if you acknowledge the website as the source of the material

You may not, except with our express written permission, distribute or commercially exploit the content. Nor may you transmit it or store it in any other website or other form of electronic retrieval system.
